St. Martha's Hospital,
Bangalore City,
(South India).

The present condition of Rev. Father Airoldi who is an in-patient in this hospital from 18-7-40 and also at the time of admission:-

Condition of health at the time of admission:-

History: The patient came to the hospital with fever, especially in the evening, cough and loss of appetite with weakness.

On examination of the chest both the lungs were showing active signs of tuberculosis and there was high fever.

The sputum was examined and showed tuberculosis bacilli in abundance.

The present condition after three months stay in the hospital (23-10-40):

The patient's condition has been improved considerably with regard to his cough, temperature and appetite. The sputum examination still reveals the presence of T.B. bacilli though the number in each field has considerably decreased.

Since three days the patient is getting dull aching pain in the region of the abdomen. On examination of the abdomen there is no lump felt, but there is slight tenderness on palpation which is due to Hepatitis attributed to sluggishness of the liver.

He has been advised to stay in the hospital for a longer time on account of his lung condition, the right side of which is still active and the patient is weak and not in a fit condition to move about.

CS. MK 2/11/40 Enemy Subjects - Fr. Airoldi.

My Dear Kesavaiengar,

I am desired to refer to my letter No.F.106(1)-40/W, dated the 15th October 1940.

2. It is understood that Fr. Airoldi has been suffering from tuberculosis of the lungs for some years. Colonel Gordon would therefore be grateful if the Government of Mysore could kindly arrange to send him a report about the present state of Fr. Airoldi's health, how soon he would be fit to travel and whether in view of the nature of his illness it would be safe to send him to live in a camp where a large number of internees are housed.

3. I am to add that since the Apostolic Delegate suggests that it would be preferable that the orders regarding Fr. Airoldi's internment should not be conveyed to him now, as it might adversely affect his health, Colonel Gordon would be glad if the object of the medical enquiries is not divulged to Fr. Airoldi at present.

Yours sincerely,
A Macaulay.

NOTE—Contn. Sheet

JULIUS SATTLER (Engineer, Erko Sound Products, Brigade Road, Bangalore).

He is a non-residential member of the Deutscher Club of Bombay and a personal friend of Dr. Urchs, National Socialist leader, Bombay. He holds very strong pro-Nazi views and interviewed Dr. Schacht at Bombay. He is a close friend of Alfred Wurfel, (Professor, Benares Hindu University and an active Nazi propagandist) and Adolf Leunnemann of Werner Schneider & Co., - (United Provinces). He attempted to get the agency for Werner Schneider & Co., for South India through the influence of Dr. Urchs.

He was also promised some of the German photo and lens, projector and sound equipment. He was sent by Dr. Urchs to Madras to work under Baron, V. Dincklage. Due to V. Dincklage's bad temper and irritability, Sattler could not work under him. Having informed Dr. Urchs that he would never serve under Dincklage, he went to Bangalore and began to work under Mr. E. Neuenhofer.

Taking advantage of his position and his acquired nationality, he began to interest himself in propaganda work in Mysore State. He was the contact man through whom Neuenhofer tried to establish connexions between the German Overseas Propaganda Organisation and the Indian Press. He also visited Mangalore where he studied the working of the Basil Mission Press and submitted an extensive report to Dr. Urchs. He also interviewed prominent newspaper publishers in Madras, including those of the Hindu and the Indian Express to arrange for advertisements of German merchandise on condition that the above papers should publish three or four columns of German matter during the week along with news photos supplied by him. For various reasons, he did not succeed. This was due more to the high rates charged for advertisements than to any other reason.

(P.T.O.

He purchased several maps of Mysore State and classfied different persons according to their status, occupation, profession and calling. He also prepared an interesting chart on the views of the Mysore public regarding the German and British Governments. In one of his letters addressed to Dr. Urchs, he wrote: "I came into contact with several leading businessmen in Mysore, retired officials and also officials holding important posts in the Government. The consensus of views of those men was against the subsidy that the Mysore Government pay to the Indian Government under its treaty obligations. They also hold very strongly that the Civil and Military Station should be retroceded to the Mysore Durbar."

In another letter he wrote: "The exploitation of the Gold Mines exclusively by British financiers is very much resented by the public and in this connection the statistics I prepared about the total output of gold so far exploited from that region and the xxxxxx net tribute that the Mysore Government get from the Gold Mining Companies provided a strong and potential ground for the Mysore public to agitate and to hold Anti-British views."

Before the out-break of war, he attempted to bring some of the prominent cinema proprietors in the City and Cantonment under his control. It is not known whether he succeeded in that attempt. He toured extensively in the South with his 2.5 lens Camera taking pictures.

TO THE HON'BLE THE RESIDENT IN MYSORE.

To

The Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Dated Bangalore, the 8th February *1941*.

Enemy subjects - Dr. Miss Lilli Seelig.

SIR,

I am directed to say that Dr. Miss Lilli Seelig, at present in the parole centre at Purandhar, has applied to the Government of India for permission to proceed to Bangalore and Mysore in the event of her release as a result of the investigations of the Aliens Advisory Committee. The reason given by her for her application is that she has been offered a post as a Lady Doctor in the Mysore State and wishes to interview the Senior Surgeon and see the hospitals in question at Bangalore and Mysore. As it would be expensive for her to return first to Jhelum (Punjab), where she was registered, she has asked to be allowed to come direct from Purandhar to Mysore

Mysore and Bangalore.

2. I am to request you kindly to let me know urgently whether she has in fact been offered employment in the Mysore State and whether the Government of Mysore have any objection to Dr.Miss Seelig's request being granted in the event of her release. His Excellency the Crown Representative's sanction to her employment will no doubt be sought should it be decided to offer employment in the event of her release.

I have the honour to be,

Sir,

Your most obedient servant,

SECRETARY TO THE RESIDENT.

F. 9-41/W & 8th Feb. 41 requesting to intimate whether Dr. Lilli Seelig has in fact been offered employment in the Mysore State and whether this Govt have any objection to her request being granted in the event of her release.

Chief Secy's minute on the P.V.D.

P.S. I believe this is one of the applicants for two vacancies advertised. Please ask Med. Section (Instt) M.V. 107a/41.

The Residency have asked for information whether Miss Seelig has in fact been offered employment in the State and whether this Govt have any objection to her request being granted in the event of her release. It is seen from the Med. Sec. file that no employment has been offered to her. She is just one of the applicants for the two posts advertised and a Committee has been constituted to interview the applicants. In view of the above, if approved, the Residency may perhaps be informed that no employment has been offered to her in the State, that she is one of the applicants for the post of Lady Doctors advertised by this Govt. Since the Committee are to interview the applicants, as seen from the G.O. perhaps we may intimate that this Govt have no objection to her request being granted in the event of her release.
